

BANGLADESH

Bangladesh is a low-lying, riverine country located in South Asia with a largely marshy jungle coastline of 710 km on the northern littoral of the Bay of Bengal. Formed by a delta plain at the confluence of the Padma, Jamuna, and Meghna Rivers and their tributaries. The culture of Bangladesh refers to the way of life of the people of Bangladesh. The land, the rivers, and the lives of the Bengali people formed a rich heritage with marked differences from neighbouring regions.
